# DIY Organizer for Personal Care Items

Supplies: 1 Washcloth
30" of Ribbon
Sewing Machine or
Needle and Thread

Fold the washcloth up about 4" from the bottom. Press in place.

Fold ribbon in half. Pin or glue between the layers positioning as shown.

Sew near both edges making sure to catch the ribbon in the stitching. Sew through both layers every 3" to make pockets.

Place personal care items in the pockets, roll up and tie closed.
