

## Suzanne's Diagonal Pet Blanket

*Thank you to Suzanne from Noblesville, IN for creating another wonderful knitting pattern for us. It makes a perfectly sized pet blanket, at 37" wide by 24" in length. This blanket will be loved by a homeless pet for a lifetime!*

**Supplies needed:** Size 13 knitting needles, 2 jumbo skeins of Red Heart Supersaver yarn (approximately 482 yards each). Note, there will be leftover yarn after making this blanket.

**To begin:** Cast on 100 Stitches using 2 strands of yarn.

**Next:** Knit 10 rows. These rows will act as your border.

**Begin left diagonal pattern:** The Pattern is worked in multiples of 6 stitches with 5 knit stitches on either end of your work to continue the knit border up the side of the blanket.

**Rows 1 and 3:** K5. \*P2, K4, repeat from \* till the last 5 stitches, K5.

**Rows 2 and 4:** K5. \*P4, K2, repeat from \* till the last 5 stitches, K5.

**Rows 10 and 12:** K5. \*K2, P4 repeat across from \* till the last 5 stitches, K5.

**Next:** Repeat the Left Diagonal Pattern 5 times more.

**Then:** Knit 10 rows. These rows will finish your border. Cast off and weave in ends.
