

"Camp" Caps

Pattern

Hello and thank you for downloading the Camp Cap Pattern! My name is Liza Laird, co-founder of Ragline Knits and a breast cancer survivor. While undergoing treatment, I found that the word "chemo" was just a little too depressing for me. Just saying it makes me queezy. So, I decided to change the word "chemo" to "camp"! It is a much better word. It sounds fun and I have no visceral reaction to it. So, every Friday for a year and half I went to "camp" where I got to knit, rest, and hang with my hubby. Sounds relaxing, right!?

As a knitter it only seemed natural to want to knit hats for my fellow "campers". So, I made this simple hat pattern to keep our bald heads cozy and warm!

We would love to see a picture of your finished "Camp" cap. So, snap a pic and share it on Instagram. Tag @raglineknits in the photo for a chance to be featured on our site! Then keep it for yourself, give to a friend, or donate it to your local cancer treatment center.

Happy Knitting!
