

Easy Step by Step directions to make a Tote Bag

Here are some easy steps to make a tote bag from your old fabrics! Please use this as a guide and adjust depending on the size of your fabric. We look forward to seeing your creativity and thank you. Happy sewing!!

Step 1 – Cut Fabric for Bag and Straps

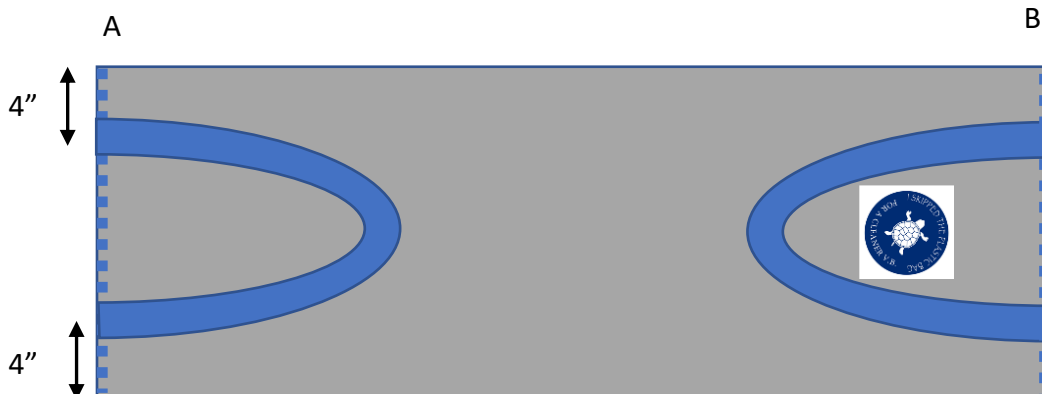

Step 2 – Fold, Iron & Sew Straps

- Fold in half lengthways
- Iron the fold then open out flat
- Fold in quarters – iron each side edge to center crease
- Fold to 1" wide and iron
- Sew each side of strap

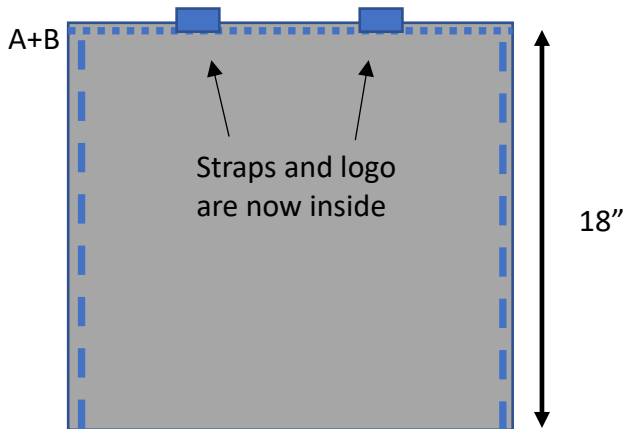

Step 3 – Straps and Logo

- Finish Raw Edges at A & B
- Pin Straps to Bag, overlock ends to attach and watch for twists in straps
- Sew logo 5" from raw edge and centered between straps

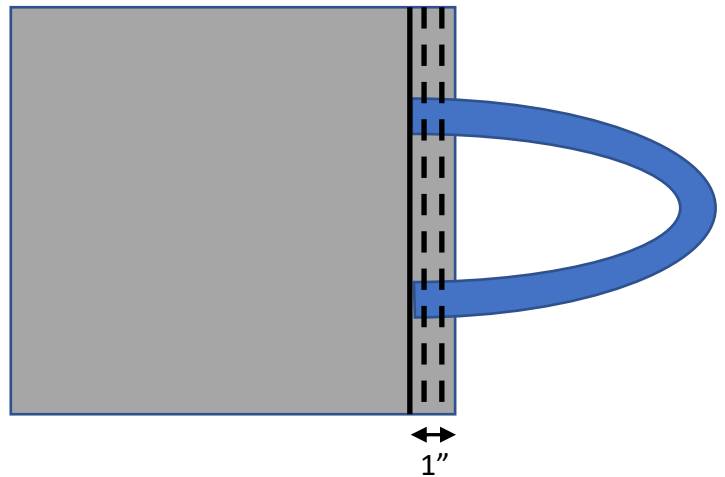

Step 4 – Fold in half inside out

- a) Fold in half inside out

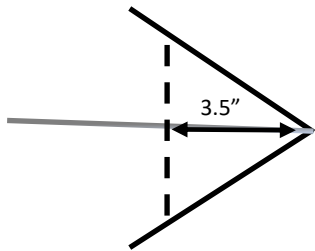

Step 5 – Attach Straps

- a) Fold down 1"
- b) Sew twice around the top and bottom
- c) Reinforce straps with more stitches if larger bag

Step 6 – Fold and sew corners to form flat base

- a) Lay side seam along center fold of bottom of bag
- b) Stitch across it at 3.5" in from corner

Step 7 – Finished Tote Bag

- a) Turn the bag right side out
- b) Quality control
- c) Tote Bag!!
